Welcome

Your child has expressed a wish to join us at the 1st Shelford & East Bridgford Scout Group. This pack will provide you with basic information regarding Scouting and the Group. There are a number of forms at the end of this pack and we would appreciate it if you would fill these in and return them to us. The purpose of these forms is explained within the pack.

Scouting

The Scout Movement is a global co-educational youth organisation, the largest in the world, with over 60 million Members in 216 countries and territories.

In the UK Scouting is organised through The Scout Association and which has a clear purpose:

To help young people achieve their full physical, intellectual, social and spiritual potential as individuals, as responsible citizens and as Members of their local, national and international communities.

The Scout Association offers everyday (and some more unusual!) adventures and activities to over 450,000 young people across the UK.

Scouting is open to all young people aged 4 to 25 of every faith and background as long as they are prepared to make the promise. A number of variations of the promise are available.

There are also plenty of opportunities for adults to become involved as Leaders, Assistants, Administrators and as Group Supporters. If you would like to be involved with our Scout Group then please contact one of the Group's Leaders.

As a member of our Group we will endeavour to ensure that your child can help to make the world a better place. Scouting makes a positive contribution to society by helping young people to develop as active members of the community who:

- *Are self reliant,*
- *Are caring,*
- *Are responsible,*
- *Show commitment.*

However most importantly this continual personal development works best when the young people are working in partnership with adults. They do this by:

- *Exploring the outdoors,*
- *Participating in teams,*
- *Taking responsibility,*
- *Taking part in the Progressive Training Programme*

The Programme is a continuous progression of training, activities and awards that covers everything that young people do in Scouting from the age of **4 to 25**.

Whilst the activities they take part in will depend on their age, each Section gives young people the opportunity to learn by doing. The main programme areas are:

- *Outdoor and Adventure*
- *Global*
- *Community*
- *Fit for Life*
- *Creative*
- *Beliefs & Attitudes*

Leaders are trained to deliver this programme, ensuring our young people stay safe while they enjoy themselves and learn.

The Group and Sections

The Group currently consists of a Squirrel Drey, a Beaver Colony, a Cub Pack, a Scout Troop and an Explorer Unit.

- **Squirrels** 4 and 5 years old, meet on Wednesdays between 4.45pm & 5.45pm
- **Beavers** 6 to 8 years old, meet on Wednesdays between 6.00pm & 7.00pm
- **Cubs** 8 to 10 ½ years old, meet on Tuesdays between 6:00pm & 7.15pm
- **Scouts** 10 ½ to 14 years old, meet on Wednesdays between 7:15pm & 9:00pm
- **Explorers** 14 to 18 years old, meet on Tuesdays between 7:30pm & 9:00pm

There is some flexibility in age ranges in all sections.

All sections meet in the Scout Headquarters which is situated on Butts Close, off Kneeton Road, East Bridgford, NG13 8PG. Access to the headquarters is either via the footpath opposite the red Telephone Box on Main Street or via the footpath by St Peter's School on Kneeton Road.

All group members that progress to the Explorer Unit are more than welcome to help out as "Young Leaders" with any of the other sections.

The Group can always benefit from assistance, either as a Leader, helper or a member of the Group's Board of Trustees or even as occasional specialist skills instructor, passing on skills or hobbies.

If you would like to help, in any capacity, please contact us.

The Promise

Our Scout Group is an "open Group". This means that as long as your Child meets the general requirements for membership of the Scout Association they are welcome within our Group. To become a member of the Scout Association and our Group your child will be asked to make a promise at an Investiture Ceremony. This will normally be done at a Section Meeting, however it can be carried out at any event. We will always try and make this a very special event for your child but it is your child's investiture and will only be carried out when they were ready. Investitures may be delayed so that they can be carried out at a special event e.g. at camp. Parents are encouraged to come to these ceremonies.

The Promise that they make will be dependent on the section that they are joining. The general promise for each section is attached; the promise can be altered to take account of religious beliefs; nationality and / or special needs.

In the Promise your child will undertake to either "do their duty to God" or to "love God". Whilst we are not attached to any particular religious body the Group does attend the Remembrance Day and Feast Day parades. We also hold an annual carol service and, when possible, attend the local church when at camp.

Their Leader can generally answer any questions that you or your child may have with regard to the promise.

Uniform

Details of uniform for each section, and the location of badges are attached.

At weekly meetings we would normally expect your child to attend in uniform from the waist up. However, for specific activities full or suitable uniform activity-wear may be more suitable.

Guidance on the expected uniform for each activity will be provided with details of the proposed event or activity.

- **Squirrels** Red sweatshirt and Group neckerchief
- **Beavers** Turquoise sweatshirt and Group neckerchief
- **Cub Scouts** Dark green sweatshirt and Group neckerchief
- **Scouts** Teal green smart shirt, Scout belt and Group neckerchief
- **Explorers** Beige smart shirt, Scout belt and Explorer neckerchief

The Scout Association produce dark blue uniform “activity” trousers. Navy blue coloured Regatta walking trousers are very similar. For events where full uniform is required these activity / walking trousers or dark grey / black “school” type trousers / skirt would be more than adequate. For Scouts and Explorers, full uniform also includes a brown leather Scout belt. The Group neckerchief is Royal Blue and Gold. These are provided by the Group. The Explorer neckerchief is also Royal Blue and Gold but has a Red, White & Blue edging.

For activity wear there is a choice of optional polo shirts, available in Red for Squirrels, Turquoise for Beaver Scouts, Green for Cub Scouts and Scouts and Beige for Explorers and Leaders.

Uniform can be purchased online from shop.scouts.org.uk.

Badge Work

Members of all ages work towards attaining awards and activity badges. From Circus Skills and Street Sports to Imagination and Public Relations, there is a wide range of choice of Activity Badges for all Sections. Hobbies that your child already has can also be used to help both “activity badges” and progressive training awards.

There are “Joining In” awards which are presented with the numbering indicating how many years the Member has regularly attended and participated in the balanced programme across the whole Scout Movement. Only the highest numbered badge is worn.

Each section has a range of Challenge Badges. These can either be done individually or in groups. On completion of a number of these your child can earn the relevant Chief Scouts Award, the highest award earned worn on their uniform.

- Squirrel Scouts – Chief Scouts Acorn Award
- Beaver Scouts – Bronze Chief Scouts Award
- Cub Scouts – Silver Chief Scouts Award
- Scouts - Gold Chief Scouts Award
- Explorers – Platinum & Diamond Chief Scouts Award. They can also work towards their King’s Scout and Duke of Edinburgh Awards.

When your child is ready to move onto the next section there are moving on awards for each section.

Occasionally your child may be asked to undertake things at home to go towards badge-work.

Subscriptions

Our annual membership fee is currently **£120 per year, per child**. This membership fee is not only used to cover the day to day running costs of each section but also the amounts payable to both our Scout District and Scout Headquarters to cover Insurance, Leader Training etc. Our other costs are covered by our fund-raising activities throughout the year.

As a Charity we can reclaim tax on any donations which we receive (and this includes Annual Membership Subscriptions) so long as the person making the payment has signed a simple Declaration stating that this is their wish and that they pay sufficient tax to cover the amount of the payment. **In return, the Inland Revenue will refund 25p for every £1.00p paid! This means that every £120 that is paid by this method is worth £150.00p to our Group.**

At the end of this welcome pack is a simple form which, when completed, can be returned to any of our Leaders.

As you will see the form is in three sections.

Section 1- This allows you to choose the frequency of your payment – you may wish to make a one off payment of £120.00p or you may prefer to pay £10.00p monthly, £30 quarterly or £60 half yearly.

Section 2 – Please sign this simple declaration allowing us to reclaim the tax on your payment – if you don't the money will just be lost. If only one partner pays tax then that partner should complete this form. If both partners pay tax then either one can fill in the form – but not both.

Section 3 – This is the Bank Standing Order. As I mentioned earlier, payments can be made Monthly, Quarterly, Half Yearly or Yearly - it is up to you. Similarly, you can select the date on which the payment is made to suit your own circumstances.

If you have more than one member in the Group, please indicate this at the foot of the form as shown.

Trips and Activities

When organising trips or activities we often have to impose a cut-off date for responses. This is generally due to the need to purchase tickets, to complete all of the necessary risk assessments and to make arrangements with the “home contact” for the event.

We ask that parents make every effort to reply before the deadline set. Similarly, if subsequent to your child being accepted on a trip or activity, they are unable to attend please let us know as soon as possible

For some activities, there may be a restriction on the number able to attend. In this case, we will operate a first come – first served policy.

There may also be times when we look to parents to help with transport.

We appreciate that funds can sometimes be tight. If you need a bit of help towards the cost of camps etc or if you wish to spread the payments, please have a quiet word with one of the Leaders.

It is our policy never to exclude any young person from any activity because of cost.

Photographs / Video Footage

The various sections regularly take part in a wide range of activities, organised at a Group, District or County level. Many of these involve challenging activities, which the youngsters involved often like evidence of to prove that they have taken part.

In addition, images of the youngsters enjoying themselves can be extremely useful for publicity purposes, internally (e.g. for use on the Group Facebook pages), externally (sent to local newspapers and on display boards, group website etc).

Photographs and video footage of the youngsters may also be used as a training aid (both adult and youngsters) or as validation of adult training.

At Group events, it is relatively easy for the Leaders in charge to take suitable and agreeable photographs of the children involved. At larger events, such as District or County events, it is not necessarily possible for the Leader to dictate what photographs might be taken or the specific end use of the photographs. However, as the photographs would be taken as part of a Scouting event they would need to comply with The Scout Association's Child Protection Policy, as would photographs or video images taken during Group events.

Please ask if you have any questions concerning this. If we wish to use photos for any other purposes, we will seek your permission. There is a form at the rear of pack, please fill it in as appropriate, sign to say that you accept it and return to one of the Leaders.

Parent Rotas

We do ask parents to help out occasionally by being part of a Parent rota. These rotas are particularly helpful for our Squirrel, Beaver and Cub Leaders.

As a helper on the parent's rota you will be asked to assist with games and craft activities and support the young people to participate in activities. You will be guided by our Leaders and will be a valuable part of the team

If you are unable to do a date you have selected please swap with another parent and please let us know.

Younger children may accompany you on your rota evening but they remain your responsibility at all times.

Child Protection

The Scout Association's policies, rules, code of behaviour, advice on Child Protection and safety policy are there to ensure our young people stay safe whilst the Programme of activities that we provide is fun, exciting and challenging. Most importantly we must also make sure that all activities undertaken are safe.

It is the policy of The Scout Association (and therefore of the Group) to safeguard the welfare of all Members by protecting them from physical, sexual and emotional harm.

The Scout Association is committed to:

- Taking into account in all its considerations and activities the interests and well-being of young people;
- Respecting the rights, wishes and feelings of the young people with whom it is working;
- Taking all reasonable practicable steps to protect them from physical, sexual and emotional abuse, and
- Promoting the welfare of young people and their protection within a relationship of trust.

All adults aged eighteen or over, no matter what their role or involvement within Scouting, are responsible for putting this policy into practice at all times.

All Leaders and regular helpers have been subjected to, and passed, an enhanced Disclosure & Barring (DBS) check. In addition, all leaders have to have up to date Safety and Safeguarding Training and achieve a basic first aid qualification during their training.

However, accidents occasionally can happen, consequently in order to comply with The Scout Association's own health and safety policy's we require certain information regarding emergency contacts (next of kin, emergency contact numbers etc.). If this information changes e.g. change of address or phone number, please let us know. A Personal Information form is attached.

During activities and trips this contact information, including parent or guardian contact information, will be collated and controlled by the event organiser. They will nominate someone to be the events nominated "contact". If it is necessary to get in touch with you during the event, it is likely to be this person who will contact you.

Further information and consent forms may be required for specific activities.

The Group can cope with members that have special needs, however we do need to know of any special requirements, allergies etc that your child may have.

All information provided is kept in complete confidence. It is normal for us to ask for a new form to be filled in when your child moves sections to ensure that we have up to date information. The only people outside of the Group to have access to any of this information would be a nominated "contacts" during trips or activities.

Data Protection

The Scout Movement in the United Kingdom is a membership organisation. To enable it to operate and communicate with its members it is necessary to maintain records about them. This includes keeping details of name, address, date of birth and contact telephone numbers. We also keep records of progress through Scouting - badges gained etc. Information held in our group may be shared from time to time within Scouting, including the headquarters of the Association in its annual census.

New legislation came into force in May 2018 2000 which covers the protection and processing of personal data. Adults and young people have the same rights under the Data Protection Act 1988 which covers paper-based as well as computer-based information. Information that we hold will only be used in connection with your child's membership of the Scout Movement and will not be passed to third parties outside the Scout Movement without your consent. You may ask to see the information that we hold. If you have any concerns about this policy please talk to a leader.

It is important that we always have your correct address and telephone number for use in emergencies. If you do move to a new house or change your contact details (including e-mail address) please tell us.

* Your e-mail address will be added to our mailing list so that we can keep you up to date electronically

I consent to my child named above becoming a member of 1st Shelford & East Bridgford Scout Group and accept the data protection and publicity policies that have been explained to me.

Ethnicity & disability information

Scout headquarters now asks us to provide ethnicity and disability information for our members. The information you provide will be stored on your child's record and sent to Scout headquarters on our annual census return. It will help the Scout Association match their data more closely with the UK National Census and gain a more accurate picture about whether or not Scouting truly reflects our local area.

If you have any concerns about providing us this information please speak to a leader.

Ethnicity

The ethnicity information uses the standard categories that are used in the national census. Choose the one that is appropriate and enter the letter on the personal information form.
